## Where Horse Loving Girls' Dreams Come True...

### Over Night Sessions

If you have a "Horse Loving Girl" we have a program for you. Lucky girls who participate in our summer programs actually live at the equestrian facility and spend all their waking hours with the horses.

Unlike other camps where horse lessons are just an extra activity, here at GNRC—

### Horses are THE Activity!

From the utmost beginner to advanced, we offer professional instruction and stress safety first. Our sessions are limited to 25 riders and we offer a very home styled atmosphere. Girls who participate in our programs leave with an informed understanding of what life is like when sharing it with horses & make lifelong friendships.

Some of our overnight sessions also coincide with Northwoods Hunter Jumper Circuit Shows which allows the girls an opportunity to showcase there skills learned at camp . This also allows them to be able to experience the world of horse shows in a very friendly, competitive and reasonably priced circuit.

### What Makes GNRC Different?

Here at GNRC—Horses are the heart and soul of our program. From the moment the girls wake up to the moment they go to bed they learn about what goes into taking care of horses and experience first hand the special bond that forms between a little girl and the horses that love them.

Taking care of horses is not easy work and we strive to teach the campers daily about all of the hard work and dedication that goes into the equestrian lifestyle. The girls leave here proud of all the hard work they have accomplished and take that back into their lives at school and home.

GNRC is a family— plain and simple. No matter whether your camper has been coming for years or is joining us for the first time they will leave knowing they are a part of this family forever. We pride ourselves on the fact that many campers continue to join us summer after summer and our entire staff has been with the program since starting as young riders many years ago.

No where else can you find a camp that is so focused on horses and working to provide equine experiences & horseshows at such an affordable price.

Please return this stub with deposit to hold spot in overnight session.
