

Girls Overnight Camp 2017

Over Night Camp Sessions

If you have a "Horse Loving Girl" we have a program for you! Lucky girls who participate in our summer camp actually live at the equestrian facility and spend all their waking hours with the horses. Unlike other camps where horse lessons are just an extra activity, here at GNRC— **Horses are THE Activity!**

From the utmost beginner to advanced, we offer professional instruction and stress safety first. Our sessions are limited in space to offer a home styled and personal atmosphere. Girls who participate in our programs leave understanding what life is like when sharing it with horses & make lifelong friendships.

Life at GNRC is filled with activities, friends and fun from sun up to sun down. We focus on all aspects of horses including taking care of them, riding, exercising, grooming, tacking, nutrition and more.

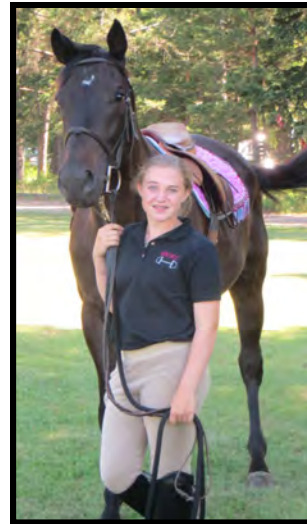

Many of our sessions also coincide with Northwoods' Hunter Jumper Circuit Shows which allows our campers an opportunity to showcase their skills learned at camp. These shows also allow riders to experience the world of horse shows in a very friendly, competitive and reasonably priced circuit.

What Makes GNRC Different?

Here at GNRC—Horses are the heart and soul of our program. From the moment the girls wake up to the moment they go to bed they learn about what goes into taking care of horses (nutrition, husbandry, chores, tacking up, grooming, exercising, medical management and more) and experience first hand the special bond that forms between a little girl and the horses that love them.

Taking care of horses is not easy work and we strive to teach the students daily about all of the hard work and dedication that goes into the equestrian lifestyle. The girls leave GNRC proud of all the hard work they have accomplished and take that back into their lives at school and home.

GNRC is a family— plain and simple. No matter whether your camper has been coming for years or is joining us for the first time they will leave knowing they are a part of GNRC forever. We pride ourselves on the fact that many campers continue to join us each summer and our entire staff has been with the program since starting as young riders years ago.

No where else can you find a camp that is so focused on horses and working to provide equine experiences & horseshows in such a fun and supportive environment and at such an affordable price.
